

Madeline Kelly-3406 Hammocks Dr.-Apt.208

In answer to your question
In 50 words or more
It really is quite simple
When you enter through the door
Of each and every unit
On each and every floor
You know at once by looking
It's what your seaching for
A place for young and older
There's something for eveyone
Swimming, golf and coffees
And a path on which to run
And if boating is your pleasure
Then you should take a look
There's a marina is in our future
With slips that you can book
A clubhouse for entertaining
With a staff that really cares
And a place to watch the TV
In well positioned chairs
And so for all these reasons
And more I give my thanks
We finally found our rental
